ATIC Board Meeting

Agenda for September 12, 2018

1. Administrative
 - 1.1. Self-Introductions
 - 1.2. Modifications to and Acceptance of Agenda Draft
 - 1.3. Acceptance of Minutes from July 11, 2018 Board Meeting
 - 1.4. Treasurer's Report
 - 1.5. ATIC Board Membership Considerations
 - 1.5.1. Nominations and Election of Board Members
 - 1.6. Review of Outstanding Action Items as Documented in July 11, 2018 Minutes
2. Informational Presentations
 - 2.1. U.S. Wireless Overview and Outlook (Mark Goldstein - Time Permitting)
3. Activity Reports
 - 3.1. Arizona Broadband Strategic Plan & FirstNet (Karen Ziegler)
 - 3.2. Arizona Broadband Stakeholder Network (Steve Peters)
 - 3.3. Rural Community Outreach (Bill Bolin, Karen Ziegler)
 - 3.3.1. Systems Technology Staffing - Broadband for Rural Communities Report
 - 3.4. K12/GAZEL (Steve Peters, Nan Williams)
 - 3.4.1. Arizona Labster Consortium Progress
 - 3.5. Arizona State Library (Holly Henley, Mala Muralidharan)
 - 3.6. Telehealth (Janet Major)
 - 3.7. Government Affairs (Mike Keeling, Mark Goldstein)
 - 3.7.1. Arizona Technology Council Broadband Policy for 2019 Review
 - 3.8. ATI Institute Renaming/Repurposing (Oris Friesen)
4. Information and Action Plans
 - 4.1. ATIC New Website Status & Outlook (All)
 - 4.2. ATIC Domains, Mailing List & CRM (All)
 - 4.3. New Business and Motion Considerations (All)
5. Events Attended and Upcoming Meetings
6. Announcements
7. Adjourn

Phone: 602.254.5887

ATIC Board Meeting

Logistics for September 12, 2018

Note: For this ATIC Board Meeting on Wednesday, September 12, 2018 from 12:00-2:00 PM, we're under the Capitol Dome in the Historic Supreme Court Chamber on the 2nd floor of the Arizona State Library, 1700 W. Washington St., Phoenix AZ 85007.

Remote Connect Instructions

- **PC or MAC:** For audio, video and web conference on **PC or Mac**
<https://gazel.zoom.us/j/753706980>
- **IOS:** For audio, video and web conference on **iPhone, iPad, iPod touch:** Install App: [Apple Store](#) -"zoom".
Enter meeting ID 753 706 980.
- **Android:** Audio, video and web conference on **Android:** Install App: [Google Play](#) - "zoom"
Enter meeting ID 753 706 980.
- **Video and web conference on computer and audio by telephone:** <https://gazel.zoom.us/j/753706980>.
- **For Audio by Phone During Zoom Session or Standalone Telephone Connection:** Dial **(415) 762-9988**. Enter meeting ID **753 706 980**. You will be prompted to enter your unique participant ID - Press # to skip

Phone: 602.254.5887

ATIC Board Meeting Minutes

July 11, 2018

On-Site Attendees:

ATIC Board Members: Michael Cohen, Jerry Crow, Henry Goldberg, Mark Goldstein, Holly Henley, Janet Major, Jay Schlum, Ron Schott, Nan Williams

ATIC Associates & Guests: Mala Muralidharan

Remote Attendees:

ATIC Board Members: Mike Keeling, Steve Peters, Andy Phelan

ATIC Associates & Guests: None

Quorum Met with 12 ATIC Board Members Present (Quorum = 9)

Many thanks to Zoom Video for video conferencing capabilities and to the Arizona State Libraries for providing meeting facilities, technical support, and hospitality.

The next ATIC Board Meeting will be on Wednesday, September 12, 2018 from 12:00-2:00 PM under the Capitol Dome in the Historic Supreme Court Chamber on the 2nd floor of the Arizona State Library, 1700 W. Washington St., Phoenix AZ 85007.

A schedule of the remaining ATIC Board meetings through 2018 can be found at the end of these minutes.

Phone: 602.254.5887

ATIC Board Meeting Agenda

July 11, 2018

1. Administrative
 - 1.1. Self-Introductions
 - 1.2. Modifications to and Acceptance of Agenda Draft
 - 1.3. Acceptance of Minutes from June 13, 2018 Board Meeting
 - 1.4. Treasurer's Report
 - 1.5. ATIC Board Membership Considerations
 - 1.5.1. Nominations and Election of Board Members
 - 1.6. Review of Outstanding Action Items as Documented in June 13, 2018 Minutes
2. Informational Presentations
 - 2.1. Workshop Arizona Technology Council Broadband Policy for 2019 (Mark Goldstein)
3. Activity Reports
 - 3.1. Arizona Broadband Strategic Plan & FirstNet (Karen Ziegler)
 - 3.2. Arizona Broadband Stakeholder Network (Steve Peters)
 - 3.3. Rural Community Outreach (Bill Bolin, Karen Ziegler)
 - 3.3.1. ATIC Letter of Support for I40 Multistate Fiber Initiative
 - 3.4. K12/GAZEL (Steve Peters, Nan Williams)
 - 3.4.1. Arizona Labster Consortium Progress
 - 3.5. Arizona State Library (Holly Henley, Mala Muralidharan)
 - 3.6. Telehealth (Janet Major)
 - 3.7. Government Affairs (Mike Keeling, Mark Goldstein)
 - 3.8. ATI Institute (Oris Friesen)
 - 3.8.1. ATI Institute Renaming/Repurposing Progress
4. Information and Action Plans
 - 4.1. ATIC New Website Status & Outlook (All)
 - 4.2. ATIC Domains, Mailing List & CRM (All)
 - 4.3. New Business and Motion Considerations (All)
5. Events Attended and Upcoming Meetings
6. Announcements
7. Adjourn

ATIC Board Meeting Minutes

July 11, 2018

1. Administrative

1.1. Self-Introductions

See the list of attendees above.

1.2. Modifications to and Acceptance of Agenda

MOTION: To accept the Agenda as submitted.

MOVE: Henry Goldberg
SECOND: Steve Peters
Passed Unanimously

1.3. Acceptance of Minutes from June 13, 2018 Meeting

MOTION: To accept the Minutes of the June 13, 2018 Board Meeting as submitted.

MOVE: Jerry Crow
SECOND: Nan Williams
Passed Unanimously

1.4. Treasurer's Report

Ron Schott, Treasurer reported that current funds on hand as of July 9, 2018 total approximately \$26,860 with the deposit of some \$3,173 in ATI Institute funds and recent expenses. Ron circulated Desert Schools Bank reports with account and transaction details for Board reference which are included at the back of these Minutes.

Our nominal run rate for necessary expenses has dropped from approximately \$5-6K per year to well under \$4K per year through a series of cost reductions and careful fiscal management. However, without any current monetary sponsors, sustainability remains a concern.

Arizona Technology Council annual dues of \$365 were recently remitted. There will be new fees for launching the redesigned web site through Weebly, however some legacy subscriptions and costs can be subsequently phased out. Craig Stevenson has incurred several hundred dollars in accumulated expenses for possible reimbursement to be documented and payment coordinated with Ron.

1.5. ATIC Board Membership

1.5.1. Nominations and Election of Board Members

We continue to need to expand participation with direct State of Arizona representation, as well as focus on rural and native stakeholder representation especially from the economic development community, and representatives from municipal, county, and higher education CIOs as well as stronger broadband industry participation going forward.

Jay Schlum, ATIC Chairman has begun meetings with a number of current Board members to garner their opinions about ATIC in the current environment and gauge their interest in actively participating. Soon he will draft a cover letter template and then personalize, reaching out to a number of specific new parties seeking their active involvement in ATIC and consideration of a Board role. Potential Board prospects discussed include:

- Michael Sherman, Sun Corridor Network
- Morgan Reed, Arizona CIO (Karen Ziegler could proxy)
- Satish Pattisapu, Arizona Department of Education CIO (Milan Eaton could proxy)
- Ken Dewitt, Navajo County CIO
- John Lucas, Community Broadband Advocates (former Graham County CIO)
- Michael Britt, Copper Dome Consulting (former State of Arizona FirstNet Manager)
- Lev Gonick, ASU CIO or Sethuraman (Panch) Panchanathan, EVP, ASU Knowledge Enterprise & Chief Research and Innovation Officer, ASU
- Mark Jeffries, Frontier Communications
- Toni Morales or alternate, AT&T
- Rachel Acha or alternate, Cox Communications
- Regional representative from Zayo Group
- Additional telecom provider representation

Henry Goldberg suggested we launch the redesigned website before engaging new Board prospects. Mala suggested that the content of the letter should emphasize that remote attendance is available and commonly utilized.

It was also discussed that a number of currently inactive Board members should be approached to relinquish their Board seats if not committed to actively participate going forward.

1.6. Review of Outstanding Action Items as Documented in June 13, 2018 Minutes

None.

2. Informational Presentations (None Scheduled)

2.1. Workshop Arizona Technology Council Broadband Policy for 2019 (Mark Goldstein)

Mark Goldstein distributed last year's Arizona Technology Council's (AZTC) Broadband Policy Principles and Policies from the 2018 Guide and led a discussion reviewing and brainstorming on evolving those policies for the pending 2019 Guide. Suggestions for updates included:

- Draw recommendations from the ADOA Arizona Broadband Strategic Plan regarding Governor's and Arizona Commerce Authority follow up, establishment and resourcing of a State Broadband Office, engagement of communities and stakeholders, coordination and facilitation of right of way use and wireless asset placement, and leveraging the use of e-rate and other special broadband grants and funding.
- Evolve programs and fund broadband infrastructure expansion for schools and libraries through Arizona Corporation Commission (ACC) and Arizona Department of Education funding mechanisms.
- Advance and keep current State broadband mapping capabilities including open sourcing wireline and wireless coverage as well as CAI data.
- Include AZTC support for the I40 Multistate Fiber Initiative being championed by the Sun Corridor Network (<https://suncorridornet.org/>).
- Support use of digital curriculum, virtual online labs, makerspaces, robotics instruction, and competency-based e-learning approaches to improve learning outcomes and better prepare Arizona's students for the jobs of the future.

3. Activity Reports

3.1 Arizona Broadband Strategic Plan & FirstNet (Karen Ziegler, Mark Goldstein)

Karen Ziegler, Arizona FirstNet Project Manager (<https://azfirstnet.az.gov/>) has previously reported that the Arizona Broadband Strategic Plan was accepted by ADOA and reviewed at the Governor's Policy Council where it was deemed a priority item and assigned to Sandra Watson, Arizona Commerce Authority as a Goal 2 breakthrough project for next steps which could include creation of a Broadband Office to provide leadership. Marisa Walker gave an updated on the working group which has defined specific tasks and is considering what can the state do to facilitate broadband development. They are meeting regularly to develop recommendations for the Governor including tasks that the State can get involved in to facilitate solutions.

The Arizona Broadband Strategic Plan issued in February, 2018 can be downloaded at https://azfirstnet.az.gov/sites/default/files/media/AZ%20Broadband%20Strategic%20Plan_FIN_AL.pdf. Mark Goldstein created and previously distributed an excerpted version of the final Arizona Broadband Assessment Project (AZ BAP) Methodology Report from late 2014 focusing on the AZ BAP project overview and policy work.

AT&T is working aggressively on Arizona FirstNet planning and implementation, with some 40-50 towers and substantial new wireless infrastructure to be built out over the next 3-4 years.

ADOA has been coordinating the general location of the planned new towers and otherwise supporting the engagement of the Arizona Public Safety community and AT&T's efforts.

3.2 Arizona Broadband Stakeholder Network (Steve Peters)

ATIC's Arizona Broadband Stakeholder Network has been formed to facilitate discussion between key state government officials and other stakeholders to follow up on the state broadband rural focus groups and strategic plan issuance for leveraging State/ACC funding, leveraging E-rate funding, and developing public private partnerships.

The first meeting of leadership team was held virtually on May 7th. for which Oris distributed his meeting report. Steve has put up a preliminary Arizona Broadband Stakeholder Network website at <https://atic-networking.weebly.com/> for group resource sharing and planning purposes.

The first action is to develop and hold a broadband stakeholder roundtable, something ATIC had done periodically in the past. There remain issues as to how we would acquire names and contact vectors of potential roundtable attendees and future roundtable participants. Another leadership team meeting will be held to begin to address details and planning.

A separate means of vendor engagement by ATIC should be developed in parallel and will be on the agenda for future ATIC consideration and action.

3.3 Rural Community Outreach (All)

3.3.1 MOTION: ATIC will issue a Letter of Interest encouraging further development of the I40 Multistate Fiber Initiative.

MOVE: Mark Goldstein
SECOND: Michael Cohen
Passed Unanimously

ATIC immediately issued the Letter of Interest signed by the Chairman for the I40 Multistate Fiber Initiative being championed by the Sun Corridor Network (<https://suncorridornet.org/>). A copy can be found embedded near the rear of these minutes.

The ACC AUSF \$8M allocation and the \$3 million budgeted by the Legislature to leverage the FCC e-rate broadband infrastructure for rural K-12 schools and libraries opportunity has been strongly supported by Milan Eaton and Mala Muralidharan with an emphasis on consortia efforts and county-wide RFPs to maximize the use and impact of this funding during the current and final e-rate funding cycle.

Primary players included the Navajo-Gila County IT Education Consortium, as well as consortiums across Pinal and Apache Counties. E-rate applications equaled \$194M plus the \$11M from the State for some \$205M worth of infrastructure deployments and delivery of broadband services, subject to final adjustments and FCC approvals.

The Navajo-Gila County IT Education Consortium's Regional Fiber Build & Services contract with Red Rock Telecommunications (<https://www.redrocktelecom.com/>) will utilize some 1200-

1400 miles of fiber to connect 51 designated sites with broadband including library sites in four participating tribes.

Bill Bolin reported on an RFQ for broadband from Tusayan having received several microwave responses under consideration. There is a public private partnership (PPP) where Zayo is running fiber from Phoenix to Tucson and community stakeholders are asking for an off ramp on SR 79. San Manuel, AZ has been identified as a potential data center site and is working with Pinal County to identify power, water, and fiber resources.

3.4 K12/GAZeL Education Report (Steve Peters, Nan Williams)

Greater Arizona eLearning (GAZeL, <http://www.gazel.org/>) continues its transition into a 501(c)(3) non-profit by reforming under the Arizona Telecom & Information Institute (ATI Institute) corporate shell. The repurposed organization would remain an option for managing future broadband grant opportunities in conjunction with ATIC.

GAZeL is planning a conference on disruptive learning for the Fall of 2018 at a Tucson venue TBD including a planning exercise for schools and district implementation and a closing reception. Science Foundation Arizona and/or Helios Project may support. Possible Tucson venue is at the Air and Space Museum.

3.4.1 GAZeL, ATIC, and AzTEA have established a project to explore interest, feasibility and a strategy to develop a statewide partnership and funding mechanism with Labster, the Virtual Laboratory Simulation Education Group based in Denmark, and K-12 schools, universities and community colleges to provide appropriate Labster virtual online lab modules for all schools in Arizona for free or low cost. Sam Butcher of Labster visited Arizona on June 4-6 and Henry Goldberg summarized a good meeting held at ASU among other Labster higher ed visits here. A demonstration project in some rural Arizona schools remains a priority. The feasibility of forming a consortium to provide Labster curricula throughout all of Arizona is being explored. Steve has constructed a working website for this project at <https://gazel-labster.weebly.com/>.

Pima Community College has received a \$2M grant for open educational resources.

Mark Goldstein is doing an impact study for Cisco Foundation of the 8 educational technology grants they gave out in the Yuma area.

3.5 Arizona State Library (Holly Henley, Mala Muralidharan)

State Library personnel continue to move from the State Capitol Building to the old records building at 1919 W. State Library personnel continue to visit libraries around the State to hold workshops and help with technology assessments. State Library is also working with Electronic Super Highway on webinars for broadband in rural areas and access to their tools, templates, etc. that explain importance of broadband in rural areas.

State Library has helped form the Navajo-Gila Counties Consortium of schools and libraries, while cultivating Apache, Santa Cruz, and Yavapai Counties as additional consortium participants. E-rate filing by deadline for this cycle optimized utilization of the Arizona funds and the FCC special program expiring this year. State Libraries and the Department of

Education await final e-rate funding approvals. Mala indicated we should know by December which of the \$194M in applications have been accepted and funded.

State Library continues to work with Arizona Students Recycling Used Technology (AZStRUT, <https://www.azstrut.org/>) and recently assisted in the distribution of some 300 additional refurbished laptops. They are also supporting The Hotspot Project where students can borrow an access point from their local library for home use. Jeff Sobotka of T-Mobile indicated that they are providing hotspots in several communities through local libraries.

Since the 2020 Census will be primarily online for the first time, library staff will assist institutions and individuals. Privacy concerns need yet to be addressed.

The Arizona Library Association (AZLA) annual conference will be from October 25-26, 2018 at the Mesa Convention Center. The theme is Libraries Transform Because Access Equals Opportunity and will include a broadband panel. More information and registration at <https://2018.azla.org/>.

Other upcoming meetings of possible interest to ATIC Board members and associates are scheduled at <http://www.azlibrary.gov/events> where you can find details and free registration. Also, you can catch State Library of Arizona on Social Media at:

Facebook: <https://www.facebook.com/StateLibAZ>

Pinterest: <https://www.pinterest.com/statelibaz/>

Newsletter: <http://www.azlibrary.gov/sla>

Virtual Reference Desk: <https://statelibraryofarizona.wordpress.com/>

3.6 Telehealth (Janet Major)

The Arizona Telemedicine Program (<http://telemedicine.arizona.edu/>) will hold their annual Telemedicine & Telehealth Register Service Provider Showcase (SPS, <http://ttspsworld.com/>) in Glendale on October 8-9, 2018. Janet Major is pleased to offer ATIC Board members and associates a code for discount registration. If interested, please e-mail her at jmajor@telemedicine.arizona.edu.

The Arizona Telemedicine Program has recently joined the Arizona Technology Council.

Janet Major, Director for Telemedicine Education & Facilities, University of Arizona, will give a free webinar American Telemedicine Association Exhibit Hall Technology Review Webinar on August 9, 2018. Details and registration at <https://telemedicine.arizona.edu/webinar>.

Janet noted a trend for genetic councilors to offer telegenetics.

3.7 Government Affairs (Mike Keeling, Mark Goldstein)

Mike Keeling, Mark Goldstein, and Ron Schott actively contributed to the Arizona Technology Council's annual Public Policy Guide (<https://www.aztechcouncil.org/promoting-public-policy/public-policy-guide/>) issued last fall for the 2018 season. Work is beginning on the 2019 Guide and ATIC will be asked to give input on suggested State broadband policies.

ATIC would like to see the Arizona Corporation Commission (ACC) expand the use of AUSF funds beyond the e-rate matching program that is sunseting to other rural broadband purposes and for the Arizona Department of Education's broadband fund to be refreshed with additional \$ from year to year.

ATIC's Board workshopped last year's Arizona Technology Council's (AZTC) Broadband Policy Principles and Policies from the 2018 Guide as noted in Section 2.2 above. The draft 2019 Broadband Policy sections are to be subsequently distributed to ATIC Board members and associates for further review and comment.

3.8 ATI Institute (Oris Friesen)

GAZeL is proceeding with the renaming and repurposing of ATI Institute to e-learning purposes under its 501(c)(3) framework. ATI Institute has disbursed to ATIC repayment of its \$2K loan and approx. \$1.2K in residual funds as noted in the Treasurer's report above. A \$2K sponsorship from Ted Kraver will remain with the transitioned entity.

The repurposed organization would remain an option for managing future broadband grant opportunities in conjunction with ATIC as would the Arizona Technology Council Foundation and other potential partners.

4 Information and Action Plans

4.1 ATIC New Website Status & Outlook (All)

Steve Peters prototyped a replacement ATIC website on the Weebly (<https://www.weebly.com/>) platform. Oris, Mala, and Mark have been making some additions and improvements with the intent to complete the website refresh and launch at the normal URL <http://www.arizonatele.org/> by the September 12, 2018 Board meeting.

4.2 ATIC Domains, Mailing List & CRM (All)

Mark reiterated that we need to rebuild our mailing list likely in cooperation with GAZeL and has begun discussions with Steve Peters on how best to accomplish this. Mark is currently exploring SendinBlue (<https://www.sendinblue.com/>) for possible use.

Mark has received current credentials for the GoDaddy account holding ATIC-related domain names from Craig Stevenson and can now modify the records including contact information and redirection of DNS for web site transfer.

4.3 New Business or Motion Considerations (All)

No other new business or motions considerations were brought forth for this month.

5 Upcoming Meetings/Events Attended

None this month.

6 Announcements

None this month.

7 Adjourn

ATIC Upcoming Board & Public Meetings

The next ATIC Board Meeting will be on Wednesday, September 12, 2018 from 12:00-2:00 PM under the Capitol Dome in the Historic Supreme Court Chamber on the 2nd floor of the Arizona State Library, 1700 W. Washington St., Phoenix AZ 85007.

Upcoming ATIC Board Meetings are scheduled for the second Wednesdays of the month (except August and December) from 12:00-2:00 at the Arizona State Library in Phoenix or by remote connections as follows:

**September 12, 2018 (in the Historic Supreme Court Chamber, 2nd Floor)
October 10, 2018
November 14, 2018**

ATIC Public Meetings:

ARIZONA TELECOMMUNICATIONS AND INFORMATION COUNCIL

July 9, 2018

Michael Sherman, Executive Director
Sun Corridor Network
1551 S. Rural Rd., USB – 2672C
Tempe, AZ 85287

This expresses Arizona Telecommunications and Information Council's (ATIC) interest in the efforts by the Arizona universities -through the Sun Corridor Network - and its partners in California, New Mexico, and Nevada to investigate and facilitate the improvement of broadband network capacity in the region, particularly along the Interstate 40 corridor. We appreciate the transparent, inclusive and unbiased regional approach you have undertaken in the work thus far.

We wish to continue to be engaged in the discovery and research work, analysis, and discussions about potential strategies and solutions. This expression of interest does not constitute an endorsement of any particular outcome or conclusion of this work, nor a commitment of personnel, funding, or shared capacity.

However, such efforts to enhance rural broadband capacities and capabilities are a prime interest of ATIC and we strongly encourage your efforts to engage regional stakeholders and seek innovative, achievable solutions.

A handwritten signature in black ink, appearing to read "JTS", is written over a white background.

Jay Schlum, Chairman
Arizona Telecommunications and Information Council (ATIC)
