Don't Miss Our Upcoming Rural Development ReConnect Program Workshops

USDA will host a series of technical workshop for those interested in the Rural Development Broadband ReConnect Program. The events are created for those interested in applying for ReConnect program funding to facilitate broadband deployment in areas of rural America without sufficient Internet access.

The workshops will provide attendees with an understanding of the program and application requirements. Topics covered include program eligibility, evaluation criteria, application requirements, compliance, post-award reporting and more.
