# Original Roadmap (30-day plan)

- Identify Subcommittee Champion(s)
- Solicit involvement – people who have talent, ideas, and information (volunteer or outreach)
- Schedule Kick-off

- Agree on Subcommittee Charter(s)
- Prioritize initiatives, focus areas
- Identify activities, milestones, key dates
- Organize into workstreams
- Facilitate status calls, meetings

- Conduct additional research, investigation, or information gathering
- Organize information to inform and support recommendations
- Facilitate information sharing calls, meetings

- Build consensus on go forward recommendations
- Deliver any recommendations and supporting documentation to decision makers
- Determine involvement going forward

## Suggested Initial Task List

- Get S.C. Kick-Offs on Calendar (Steve, Terence, Cory can help)
- Subcommittee expectations - next 30 days
- Identify any key dates, milestones, or decision points, and processes
- Perform a high-level gap analysis
- Set priorities
- Organize into work-streams (as necessary)

# Q&A

- Expectations for the Subcommittees
- Role Of Champions
- Steve, Cory, Terence involvement
- What support will you need?
- How will you convene meetings?
- How would you like to capture Subcommittee information?

# Available Collaboration Tools

- Feedback received M.S. Teams might be too complicated
- Website has some good stuff – will continue to add
- Champion thoughts and recommendations?
