Broadband Summit, Jan 23-24 2024

Hosted by Governor Hobbs and Arizona Commerce Authority

Mesa Convention Center, 263 N Center Street, Mesa, AZ 85201

This multi-day workshop will bring together critical stakeholders in Arizona from the federal, state, tribal, and local governments, industry, and other key collaborators to discuss coordination on broadband efforts as the state prepares to receive significant broadband funds from the Infrastructure Investment and Jobs Act.

Connecting all people in Arizona to affordable, reliable high-speed internet is critical to our economic stability and this event will provide an opportunity for us to discuss ways we can work together to efficiently and effectively utilize these federal dollars to the maximum extent.
