Dear Community Supporter

Future Stars, Inc. hosts the largest Hands On STEM (Science, Technology, Engineering, Math) Fair held in South Phoenix allowing youth to have hands on experiences with STEM experiments. With proper COVID-19 protocols in place we are excited to share we are preparing for our 2022 STEM Fair in person.

The **Seventh Annual Hands On STEM Fair** in partnership with the City of Phoenix Parks and Recreation Department will be held on **April 23, 2022, from 10:00 am – 2:00 pm MST** at the **Faye Gray Recreation Center** located at 5550 S. 20th Street in Phoenix, Arizona.

The Hands On STEM Fair is a time to celebrate our youth and the joy of learning through fun activities. Activity's will take place at Faye Gray, there will be volunteers to help the youth with their STEM activities. The goal of the STEM Fair is to engage the community and encourage other students to become interested and excited about STEM. Our goal is 150 attendees this year. Attendees do not pay to participate in the fair.

Future Stars, Inc. is a non-profit organization designed to help students reach their full potential in academics and athletics. Future Stars, Inc. supports students through mentoring, STEM workshops, financial awareness, college readiness, and other school-related resources often obstacles for school advancement. Future Stars, Inc. primarily serves underrepresented students and families who have a desire to learn computer technology and/or a desire to attend trade school/college. Many participants come from low-income households and are on a free or reduced lunch program.

Attached are our sponsorship levels which help create the STEM experiences for the fair. We appreciate your support. We would like to secure all sponsorships by **April 10, 2022**.

Future Stars, Inc. is a 501c3 organization and all donations are tax deductible. Please feel free to contact us with any questions you may have at futurestarsaz@hotmail.com or 623-221-0902. We thank you in advance for your support!

Best Regards,
