- 0707: 07:38:08 From Tracey Beal to Everyone: I am no longer receiving the calendar invites!
- 07:40:59 From Mark Goldstein to Everyone: Big Data Southwest's DataCenter & SmartCity Summit is on April 6 and will include a broadband panel as well as an ATIC led breakout session for broadband providers. See <https://www.bigdatasw.org/>
- 07:42:40 From Manny Villa to Everyone: Thank you, Mark.
- 07:43:41 From Mark Goldstein to Everyone: The Arizona Commerce Authority “Arizona Statewide Broadband Middle-Mile Strategic Plan” produced by KPMG & now available at <https://www.azcommerce.com/news-events/news/2022/2/arizona-commerce-authority-announces-statewide-broadband-middle-mile-strategic-plan/> FYI. For recent middle mile investment news, see Governor Ducey’s press release “Arizona to Expand Broadband Connectivity Along Interstate 40 West” from 2/18/22 at <https://azgovernor.gov/governor/news/2022/02/arizona-expand-broadband-connectivity-along-interstate-40-west> FYI.
- 07:47:02 From Tracey Beal to Everyone: So wonderful, Jeff!
- 07:52:11 From Joy Whiting to Everyone: Jeff, this movement on Broadband in our state and through the Navajo Nation is incredible. Thank you so much!! I plan to attend the Data Summit on April 6th in person with some folks from Apache County. Really looking forward to it.
- 07:55:07 From Drew Garner to Everyone:
https://commonsensemedia.org/sites/default/files/featured-content/files/federal_broadband_funding_guide.pdf
- 07:55:13 From Drew Garner to Everyone: A guide to all the federal funding. Includes Treasury programs and their flexibility
- 07:55:57 From Jan Schiller to Steve Peters(Direct Message):Hi Steve. Can the work of the Shaping EDU committee coordinated by Rueben with the Delphi process help support Jeff’s request for a list of recommendations?

- 07:59:18 From Fernando Roman to Everyone: Thank you for posting these links
- 08:00:53 From Drew Garner to Everyone: Mark/Jeff, have you worked with GeoPartners before on mapping?
- 08:02:24 From Lindsay Dietz to Everyone: Please count me in to support you @Jeff and @Erin
- 08:06:34 From Mark Goldstein to Everyone: To Drew Garner's question, I haven't worked with GeoPartners (London based) before. In the last mapping cycle we used TerraSystems SW (<https://www.terrasw.com/>) out of Tucson. I'm thinking we don't as much need core mapping services like GeoPartners provides as much as a rich set of data sources to overlay with internal mapping capabilities. My \$.02.
- 08:07:32 From Steve Peters to Tracey Beal(Direct Message): Tracy please check your spam filter and search your emails. If you didn't get it please let me know
- 08:07:44 From Drew Garner to Everyone: Thanks Mark
- 08:10:26 From Jeff Sobotka to Everyone: Drew, we had Paul Deming and team from Geo Partners on our mapping team call a week ago Friday. Great product but very \$\$\$
- 08:11:26 From Erin Carr-Jordan to Everyone: +1 to that, Kirk
- 08:11:32 From Erin Carr-Jordan to Everyone: Thank you, Mala
- 08:12:26 From kirk busch to Everyone: Love the kids in the background Mala ... This is WHY WE DO THIS!
- 08:13:38 From Erin Carr-Jordan to Everyone: Nice to see you, Lea!
- 08:14:06 From Mark Goldstein to Everyone: Here's a good recent article from Government Technology "Digital Equity Takes Center Stage in U.S. Cities Post COVID" at <https://www.govtech.com/civic/digital-equity-takes-center-stage-in-u-s-cities-post-covid> FYI.
- 08:15:33 From Jeff Sobotka to Everyone: Lea, thank you for speaking at the Navajo Broadband Summit on Friday. Much appreciated and some valuable info!
- 08:15:38 From Erin Carr-Jordan to Everyone: Cindy is doing great work.
