

Nan Williams has been in education for over 34 years. Over the past 30 plus years, she have been a classroom teacher, an instructional technology coach, the Director of Educational Technology for the Arizona Department of Education, a district administrator role as the Director of Technology for an urban school district in the Phoenix area, and now fulfills the role of Co-Executive Director for AzTEA. She has facilitated online courses for over 10 plus years. She believes that education is the great equalizer in our country and that it is our responsibility to prepare our students for any opportunity they wish to pursue.
