08:35:49 From Mallory DeVol to Everyone: Congratulations on your award, Mala! I haven't known you long, but I can tell you definitely deserved it.

08:37:25 From Mark Goldstein to Everyone: The Center on Rural Innovation has released a new report, "Beyond Connectivity: The Role of Broadband in Rural Economic Growth and Resilience" revealing that higher broadband adoption rates & a higher prevalence of small broadband service providers improves the economic dynamism of rural areas. Available for download at <https://ruralinnovation.us/resources/reports/report-the-role-of-broadband-in-rural-economic-growth-and-resilience/> FYI.

08:48:00 From Paul Ross to Everyone: Students can use their own devices on campus now using their own connection and they are unfiltered, once connected to a school service on premise or mobile there is filtering generally on the service and if the device is a school device it is further filtered in most cases by a second tier.

08:48:53 From j h to Everyone: Thanks Mala and very interested in the cyber pilot Jon Haass part of the Yavapai County Digital Equity Committee
