Task Force Meeting Chat –September 26, 2022

- 07:32:34 From Janet Major to Everyone: that's a great photo!
- 07:38:18 From Mark Goldstein to Everyone: AZTC's SciTech Institute will hold their 2022 STEM & Innovation Summit on September 27 from 8:30 AM-5:30 PM at the Arizona Science Center in Phoenix with hybrid online attendance option. Details & registration at <https://azscitech.idloom.events/2022-arizona-stem-summit> FYI.
- 07:38:52 From Shelby Brown to Everyone: Shelby Brown with ADE will be there!
- 07:40:45 From Erin Carr-Jordan to Everyone: Love that, Janet!
- 07:41:50 From Janet Major to Everyone: I may still have an extra ticket! Its a lot of fun.
- 07:43:31 From Mark Goldstein to Everyone: ASU ShapingEdu & the Digital Equity Institute will hold the Arizona Digital Inclusion Celebration Summit on October 3 from 10 AM-1 PM kicking off Digital Inclusion Week by showcasing some of Arizona's high-impact digital inclusion programs with this virtual event. Details & free registration at https://docs.google.com/forms/d/e/1FAIpQLSf7MXMTrv61EEyh2RikwwmK_CyOx1mmrOF7I1Wj29kAaUF_g/viewform FYI.
- 07:44:37 From Janet Major to Everyone: all other events can be found @ connect-Arizona.com
- 07:46:03 From Erin Carr-Jordan to Everyone: <https://shapingedu.asu.edu/event/arizona-digital-inclusion-celebration-summit>
- 07:53:15 From Mark Goldstein to Everyone: NTIA released an update to the Federal Funding site, which serves as a comprehensive, "one-stop shop" of resources for potential applicants seeking federal broadband funding with information on more than 80 federal programs across 14 federal agencies at <https://broadbandusa.ntia.doc.gov/resources/federal/federal-funding> FYI.
- 07:58:08 From Manny Villa to Everyone: Thank you, Mark!
- 08:07:59 From Mala AZ State Lib to Everyone: Will Speed Test suffice to challenge or is there something more?
- 08:09:08 From Jan Schiller to Everyone: Rory, thanks for that insight. It's curious that NTIA is not tech agnostic.
- 08:10:04 From Rory Conaway to Everyone: Sadly they went out of their way to exclude not only unlicensed, they avoided the new 6GHz spectrum also which is bandwidth managed.

- 08:11:41 From Jan Schiller to Everyone: There are many paths to the desired result. Unfortunate that some effective paths are excluded.
- 08:28:47 From Mark Goldstein to Everyone: Jeff Sobotka's LinkedIn announcement of his resignation as Arizona State Broadband Director is at <https://www.linkedin.com/feed/update/urn:li:activity:6976570454161465344/> FYI.
- 08:29:29 From Milan Eaton to Everyone: I have to drop for my next call. Thanks Nicole!
- 08:29:46 From Erin Carr-Jordan to Everyone: Thanks for another good call
- 08:30:36 From Heather Floyd to Everyone: Thank you, Nicole, appreciate the outline of the roadmap going forward. And appreciate the willingness to have continued conversations.
- 08:30:43 From Paul Ross to Everyone: Everything connects on the backend with Fiber at some point but wireless is a much needed solution. There is not one technology which rules all scenarios, we need to be flexible for each of our communities.
- 08:32:04 From Jan Schiller to Everyone: Thank you, Nicole! So informative. Great overview.
- 08:33:09 From Paul Ross to Everyone: Thank you Nicole.
- 08:33:10 From Vaughn Croft to Everyone: Thank you Nicole
- 08:33:21 From Manny Villa to Everyone: Thanks Nicole!
- 08:33:32 From Janet Major to Everyone: There will be an ACP outreach grant opportunity as well - it was announced by the FCC in August but is not open yet to apply.
- 08:33:52 From Mauricio Orozco to Everyone: BEAD Roadshows!!
- 08:33:59 From Janet Major to Everyone: Thanks Nicole - great to see you!
