

USDLA[®]

UNITED STATES DISTANCE LEARNING ASSOCIATION

Broadband Inequity

April 9, 2021
1:00-2:30 pm ET

DOE Update

What is the vision of our newly elected administration? Join us for a review of the following report from the Department of Education:

<https://joebiden.com/education/>

April 16, 2021
1:00-2:30 pm ET

Broadband Update

Which legislation will help close the gap in the digital divide? What organizations are leading the charge?

This panel will include representatives from the

National

Telecommunications & Information Administration (NTIA) and the Federal

Communications

Commission

(FCC).

April 23, 2021
1:00-2:30 pm ET

Technology Updates

What is the latest and greatest in technology for distance learning and where are the funding opportunities?

This session will feature board members of USDLA from several constituencies who are national experts to share their advice and resources to help foster growth both in broadband and the technology we connect to it.
